INSECT FREE cleaning cloths

Screen!x INSECT FREE cleaning cloths effortlessly remove all insect residues which remained after the car washing - just easily wipe over the affected parts with the wet cloth - without any pressure or force! Afterwards just use the dry cloth for polishing the finish to high gloss again - absolutely scratch-free!

Screen!x INSECT FREE cleaning cloths are bio-degradable and absolutely without any surfactants!

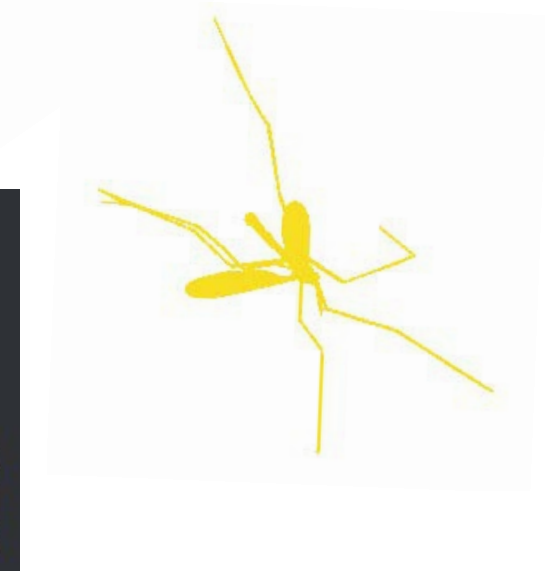

Highlights:

- **bio-degradable**
- **without any surfactants**
- **absolutely scratch-free**
