Visor clear cleaning cloths

Screen!x Visor clear cleaning cloths remove insect residues and contaminations without any effort and absolutely scratch-free!

Screen!x Visor clear

cleaning cloths are absolutely easy in handling - just use the wet cloth for removing all insect residues from the visor and the helmet and afterwards wipe after with the dry cloth to avoid streaks and reflections!

Highlights:

- **space-saving for take-away**
- **always nearby and within reach**
- **absolutely scratch-free**
- **bio-degradable**
